

Wine Glass Marker

- Cut five 4 ½ " circles of coordinating or contrasting fabric.
- Iron 4 of the circles in half - right side out.
- Lay down the remaining circle, right side up.
- Layer the 4 folded half circles one atop the other around the bottom circle alternating contrasting fabric. When placing the last half circle, slide the end of it under the first half circle flap.
- Sew ¼ inch around the edge of the circle.
- Clip or trim seam allowance.
- Turn inside out and iron.
- Place around the bottom of wine glass for a distinctive marker.

Square Coaster

Follow same directions above except use a 5-inch square
